

## Facilities 2016

**Theater** and **Classroom** capacities **include** space for presentation area and television cameras and represent seating **unobstructed** by columns. **Banquet** and **Reception** capacities **do not** include space for presentation area or television cameras and represent total seating; some may have partially **obstructed** views. Ballroom **Banquet** capacity with dancefloor is 225. Capacities **do not** include space for food stations or buffet. Please call for capacities in other seating configurations or to confirm maximums for specific arrangements.

Skirted registration and materials tables, easels, and coat racks are available outside each room. Rooms **do not** include registration staff, telephone or internet service, panelist holding rooms, uniformed security guards, separate interview rooms, luggage holding, shipping services, or secured storage. Multiple screens are required for video presentations in rectangular seating configurations of maximum capacity. In respect for concurrent events, clients must limit the volume of: any audio presentation, musical or vocal performance, chanting/clapping, their guests in the corridor outside the room, and as they enter and leave the Club. There is no smoking allowed in the building.
